Richard- can you meet at 11:25 so I can pick your brain on a panel issue?

Hello Richard, Brittany, and Nancy,

Ryan asked that I put some time on our calendars to discuss potential topics for the upcoming Spring SAB face-to-face meeting (date TBD). Specifically we want to discuss topics that may be ready for a briefing/consolation for the Board. We have a couple of potential items we can discuss including the war on lead, PFAS cross agency activities, and formaldehyde. In addition to discussing these potential topics, we would like your opinion on what other topics maybe ready/worthy for a Board briefing.
